European Commission

THE TREATY ON THE FUNCTIONING OF THE EUROPEAN UNION - Article 196

*The Union shall **encourage cooperation** between Member States in order to **improve the effectiveness** of systems for preventing and protecting against natural or man-made disasters.*

Union action shall aim to:

*(a)**support and complement Member States' action** at national, regional and local level in risk prevention, in preparing their civil-protection personnel and in responding to natural or man-made disasters within the Union;*

*(b)**promote** swift, effective operational **cooperation** within the Union **between national civil-protection services;***

*(c)**promote consistency** in **international civil-protection** work.*

European Commission

EU CIVIL Protection Mechanism actions

Prevention – to create an inventory of information on disasters, share best practices, reinforce early warning tools

Preparedness – to provide training programmes, exercises during simulated emergencies, exchange of expert's programmes, cooperation projects/modules on voluntary basis

Response – to provide search and rescue teams, medical teams, shelter, water purification units

Why companion animals??

- Protect public health (zoonosis, dog bites/aggressions, faecal contamination, garbage dispersion)

- Rescue, assist, reunite, rehome/adopt:

  - trapped, lost, abandoned or relinquished owned animals;
  - stray animals.

To keep the human –animal bond strong and healthy
